Norway: A Global Leader in Aquaculture Technology & Sustainability.

Turkey: A Rising Power in the Global Seafood Industry.

Turkey & Norway: Expanding Our Global Reach

- ✔ Connecting Norwegian Innovation with Turkey's Market Strength.
- ✔ Supporting Sustainable Aquaculture Solutions.

www.octoaqua.com

Turkey's Global Position in Aquaculture

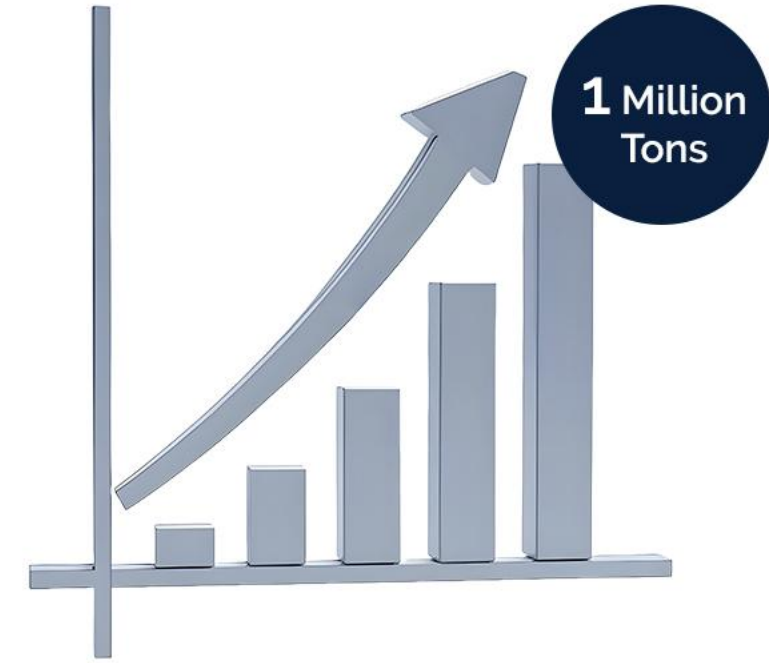

- ◆ World leader in seabass and seabream production.
- ◆ 2nd in the world for rainbow trout farming.
- ◆ \$1.7 billion in seafood exports to 97 countries.
- ◆ 120% self-sufficiency rate, making Turkey a net seafood exporter.
- ◆ #1 in freshwater aquaculture in Europe.
- ◆ 30th worldwide and 4th in Europe in aquaculture production.

Strengthening the Future with Annual Aquaculture & Fisheries Production
